Texas Police Chiefs Association

Law Enforcement Command Officer Program (LECOP)

*Training Law Enforcement
Command Officers*

Complete 10 Courses

Each TPCA Leadership Course has been specifically designed to equip Command Officers with critical knowledge in each topic. A participant will complete the three required courses in each track and select two electives from each track in order to receive a professional certificate acknowledging they are trained as a "Law Enforcement Command Officer". Upon Completion of the 10 courses, the participant may apply, with their Chief Administrator's recommendation, to receive the professional certificate, suitable for framing. There is no required timeline for completion of the courses and no additional cost to receive the certificate. See the TPCA website or a course catalog for specific course details and costs.
